

# Grid Asia 2005

Biopolis, Singapore, 2 - 6 May

## About Grid Asia

The National Grid Office (Singapore) is launching the inaugural *Grid Asia* event on 2 – 6 May 2005 in conjunction with its partners. This new series with the Grid Computing theme caters to everyone, from the interested individuals, practitioners and user organizations in industry to the research and development community. *Grid Asia* promises to be an exciting major annual event for the region. It will bring together researchers and practitioners in Grid Computing as well as related technologies and applications.
